Wow! I am amazed at the way people are spoken to on this group. We need a special meeting to be held to have a open straight forward talk and decision about reading of the water meters. Each and every owner has a share in this building. We are paying leviestherefore we are all partners. Asking kindly for a special meeting.

"Special Meetings" can be arranged any time. Not necessary to wait for the AGM. This needs attention right now. As can be seen there are people who are not happy with the situation.

You can't send messages to this group because you're no longer a part
